Our Voice

www.ourvoiceinprostatecancer.com

Our Voice is a Canadian publication about living with prostate cancer. You can order the free magazine to be mailed to you or browse current articles online. The website also has links to support groups across Canada.

Procure

www.procure.ca

Procure is a Canadian organization providing information in both French and English about: facts and statistics, diagnosis, treatment and living with cancer. This website also has an active discussion board to post questions and learn from other patients' experiences.

Prostate Cancer Canada Network

<http://www.cpcn.org/>

The PCCN is the national association of prostate cancer support groups. The site provides news, information, Canadian support groups and links to other sources of information on the Internet. This group was formed from the former Canadian Prostate Cancer Network and Prostate Cancer Canada.

The Prostate Centre (PMH)

www.prostatecentre.ca

The Prostate Centre at Princess Margaret Hospital maintains an excellent website. This site provides information on the Centre as well as information on prevention, diagnosis, treatment, and support. Also available is an online glossary and an ask-the-expert section.
