

MOEMAR for Nurses Agenda

Course Timing and Capacity

4.0 hours

Up to 15 participants

Target Audience

This course is designed for all new UHN registered nurses who have previously completed RN eLearning modules and attended an instructor led Inpatient RN class.

- **Registered nurses who use inpatient EPR functionality on a MOEMAR unit (i.e. IP areas at TGH, TWH, PMCC)**
- **New hires or nurses transferring from a non-MOEMAR area to an area that uses MOEMAR**
