

Building a Better Bickle

An invitation to our neighbours

Please join us for an Open House

Earlier this year we shared the news that the Bickle Centre had embarked on an exciting project to refresh our facilities. This \$32.3 million, multi-phased renovation is focused on creating an environment that inspires health and wellness and enables our staff to provide the very best patient care. While a majority of our work is focused on the interior of the building, as part of our commitment to keep you informed on our progress, we invite you to join us for coffee to learn about our renovation project:

**Building a Better Bickle
Open House
Toronto Rehab EW Bickle Centre
130 Dunn Avenue
Tuesday, June 21, 2016
6:00 – 7:30 p.m.**

This will be an informal evening. Staff will provide a brief presentation and will be on-hand to answer any questions and meet our neighbours. We look forward to seeing you.

Rendering of the refreshed exterior featuring a new protective canopy

A bright, welcoming reception area

A new auditorium for patient and staff programs
