

Navigation from Elizabeth Entrance to the Echo Lab

Step 1 – Arrival to Toronto General Hospital

Verify your Transthoracic Echo date and time and come to Toronto General Hospital:

200 Elizabeth St. Toronto, ON M4G 2C4

Step 2 – Parking

Parking can be found directly across the street. Please see the link below for more information:

<https://www.uhn.ca/corporate/Directions/Pages/parking.aspx>

Step 3 – Information Desk

After you enter the doors through the Elizabeth entrance at 200 Elizabeth St. you will notice directly to your right the Information Desk. Please stop here if you have a question or need assistance. They can assist with any questions you may have.

If you know you need help with navigation or if you need a wheelchair please ask for this here. You must let the clinical coordinator know ahead of time so we can ensure this is organized for you.

Step 4 – Eaton Elevators

The Echo Lab is located on the third floor.

You will need to take the Eaton Elevators which are located to your right once you pass the Information Desk. Please take the elevators here to the third floor.

Step 5 – Eaton elevator to the Echo Lab

Once you have reached the third floor you will see blue arrow on the floor directing you to the Echo lab.

Please follow these signs down the hall.
