

FAMILY CAREGIVERS RESEARCH STUDY

Share your experiences as a family caregiver of an individual with a language barrier to help us improve our services

ELIGIBILITY

To participate in a focus group or interview

You must:

- be 18 years or older
- be a family member caring for a patient of the Princess Margaret Cancer Centre

The person you care for must:

- have advanced or metastatic cancer
- have a language barrier (cannot speak English well)

WHAT'S INVOLVED?

Participants will be invited to complete a demographic questionnaire and take part in a focus group OR interview that will last up to 2 hours either in-person or online.

Please note that communication via e-mail is not absolutely secure. Do not send sensitive information via e-mail.

Version date: 2024 August 26

COMPENSATION

All participants will receive a gift card of their choice.

ASSISTANCE

If you need help, a UHN Interpreter can assist you with giving consent and completing your interview.
