Ability in Educational Role:

Indicate, with your one best example, the skills this person demonstrates when teaching/working with learners. For example, you may wish to include how the candidate communicates clearly, demonstrates excellent practice knowledge, supports the establishment of meaningful learning objectives and learning opportunities, co-creates a safe learning environment, uses effective teaching design (e.g. interactive methods, adult learning principles), uses collaborative approaches, provides the optimal amount of support, gives and receives feedback appropriately. Maximum 150 word response.

Commitment to and Enthusiasm in Educational Role:

Indicate, with your one best example, how the candidate exhibits a passion for their role as an educator. For example, you may wish to comment on how their approach to teaching instills interest in their work, openness to receiving feedback and any indications that the clinician educator makes a conscious effort to ensure that their teaching skills continuously improve.

Impact on Others:

Indicate, with your one best example, how this educator has influenced or changed one or more of the following aspects of your own professional development: practice, attitudes, enthusiasm for patient care, thinking styles and engagement in learning. Comment on how the educator models teaching skills and professionalism to others and helps others to develop their own teaching skills.

Thank you very much for taking the time to nominate a person or team from Toronto Rehab who should be recognized for their outstanding contribution to education. Once nominations close, the adjudication committee will review all nominations to choose an award recipient. We will notify all nominees about this recognition and share your nomination with them. We anticipate that this will have a significant effect on their continued engagement and quality work with learners!
