

University Health Network Policy & Procedure Manual Administrative: Public Parking

Policy

University Health Network (UHN) provides reduced-rate parking privileges to qualifying patients, their families, and visitors at Toronto General, Toronto Western, Princess Margaret Cancer Centre, and Toronto Rehab – University Centre site. The parking is available within the existing public parking capacity of UHN-operated parking lots at Toronto General and Toronto Western. The parking is available on a first-come, first-served basis.

Note: Reduced-rate parking is not available at Toronto Rehab’s Rumsey, Lyndhurst, Bickle, or Lakeside sites.

The reduced-rate parking is offered in the form of 5, 10, and 30 day parking passes to patients, their families, and visitors. The prices of the reduced-rate passes are:

- 5 day pass: \$63.75
- 10 day pass: \$127.50
- 30 day pass: \$382.50

The 5, 10 and 30 day passes can only be used at the parking garage where the pass is purchased (either Toronto General or Toronto Western). Patients, their families, and visitors at Princess Margaret Cancer Centre and Toronto Rehab – University Center can purchase passes at Toronto General.
