

## Electronic Patient Record (EPR) Virtual Training

**Effective May 19, 2020**

*Due to COVID-19 Pandemic, Pharmacist EPR training has been moved online. As well, Digital Education is offering optional support sessions in a virtual classroom environment. Registration is required for ALL virtual session.*

To register for a session, please email: [digitaleducation@uhn.ca](mailto:digitaleducation@uhn.ca)

### Pharmacist Training

**All Registered Pharmacists** must complete the **online training** found in the **Intro to EPR eLearning**: Use the following link to complete the mandatory eLearning course – **select Registered Pharmacists**:  
[https://www.uhnmodules.ca/For\\_Staff/computer\\_education/IntroToEPR/index.html](https://www.uhnmodules.ca/For_Staff/computer_education/IntroToEPR/index.html)

*\*\*Reminder: Pharmacy Students should select their specific training, which is different from this Registered Pharmacist training.*

Pharmacists are not required to attend any further training during this pandemic period. However, if you need support, we offer optional virtual EPR for Pharmacists Support Sessions (90 minutes in length). The support session will not re-teach concepts from the eLearning course. These sessions are intended to support anyone with specific questions or need for clarification. You must complete the mandatory eLearning course in advance and be comfortable with your EPR knowledge before your support session. To register, email [DigitalEducation@uhn.ca](mailto:DigitalEducation@uhn.ca)

### Pharmacist with Electronic Patient Record (EPR) + Medication Order Entry (MOEMAR) access

Class Date	Time	Classroom*
tbd	tbd - 90mins	Virtual Training
tbd	tbd - 90mins	Virtual Training

Digital Education looks forward to assisting you at: [digitaleducation@uhn.ca](mailto:digitaleducation@uhn.ca)
