

Logging into the EPR Train System through the Clinical Application Portal

The Clinical Application Portal allows you to access EPR TRAIN from any UHN computer. A device is configured in EPR TRAIN based on your TID#.

To access the UHN Clinical Application Portal:

1. If not already done, set up [Multi-Factor Authentication](#) (MFA).
2. Install Citrix Workspace. This is the [installation download link](#).
3. Log into the [UHN Clinical Application Portal](#) (bookmark this link for future use).
 - a. In the Username field, enter your **UPN** (User Principal Name – such as your TID or UHN email address).
 - b. In the Password field, enter your network **password**. If you need to reset your password, contact the Help Desk at 416-340-4357.
 - c. Click **Verify my Account**.
