

The Mohamed Ali Memorial Award

Purpose:

The Mohamed Ali Memorial Award has been established, through the generosity of the Ali family and donor philanthropy, to support an annual award given for educational and professional development opportunities to members of the Housekeeping or Transportation staff across UHN sites. The award honours the life and legacy of Mohamed Ali, a longtime member of the UHN housekeeping staff, who passed away in January 2021.

Description:

Awarded once per year to a select number of staff with up to \$1,500 per award recipient to be distributed.

Eligibility:

Housekeeping or Transportation staff members currently employed (full-time or part-time) within UHN, across all sites within the organization.

Application Process:

Applications open on Monday, June 12th, 2023. A completed application form must be submitted by **Friday, July 21st, 2023**. Please see attached document.

Deliver to John Petropoulos via:

- Email: John.Petropoulos@uhn.ca; please submit with the subject line "Application Form for The Mohamed Ali Memorial Award – [Insert name, title]"
- Interoffice Mail: **Drop off to: Attn: John Petropoulos, Environmental Services, PMH 3B-712**

Award recipients will be determined based on the established criteria and selected by the awards committee, made up of the fund-holders and Environmental Services staff from across all UHN sites. Confirmation of selection to the recipient(s) will be made by the end of the summer.

Criteria:

Nominees will be evaluated on the following criteria:

- Is committed to self-improvement through continuing education/professional development.
- Exemplifies and embodies the vision and values of UHN, and adheres to the highest standard of excellence in their day-to-day interactions and activities.
- Displays outstanding qualities of leadership, and maintains strong relationships with all internal and external stakeholders, including all patients and staff members.
- Demonstrates a constructive and inquiring approach to problem solving in the workplace.
- Works effectively and professionally as a member of the Environmental Services team.
- Demonstrates a commitment to the organization, as well as to the Environmental Services team.
