

How to access the UHN Corporate Intranet Site Remotely

1. Go to the UHN external website: <https://www.uhn.ca>
2. Select **TeamUHN** from the top right of the screen.

3. From the TeamUHN website, under the UHN Employee Access list, select the **Corporate Intranet** option.

4. Log into the UHN Intranet remotely by entering their UHN email address (firstname.lastname@uhn.ca) and password, and clicking the Sign in button.

5. Once entered, the UHN Corporate Intranet will launch and you can access webpages and documents on the site.
