Download the Patient Meal App by scanning the QR Code or **visit** patient.cbord.com/login

Login by following the steps below

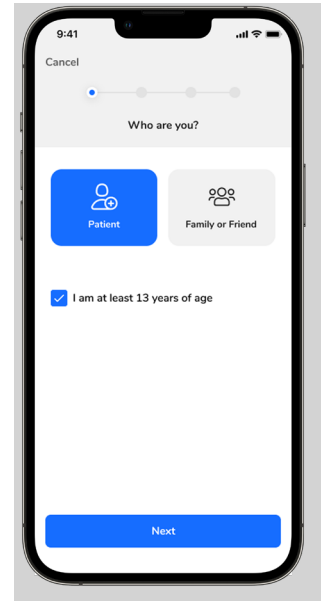

Helpful Tips

- If you create an account, at your next login, you can skip steps 2-5.
- Browse menu items from different categories.
- Place your order by 11:59 pm for tomorrow's lunch and dinner.
- If you do not place an order, you will get a default meal according to your diet order.

Step 1

Click on "Create Account"

Step 2

Select appropriate box and check age attestation. Click Next

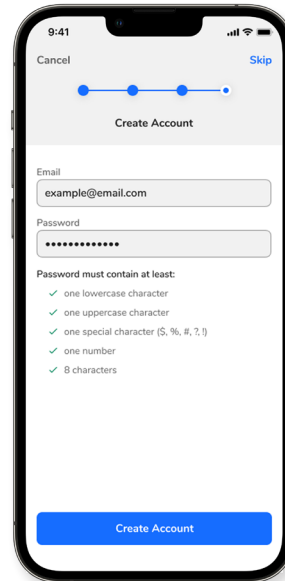

Step 3

Enter facility ID:
UHN

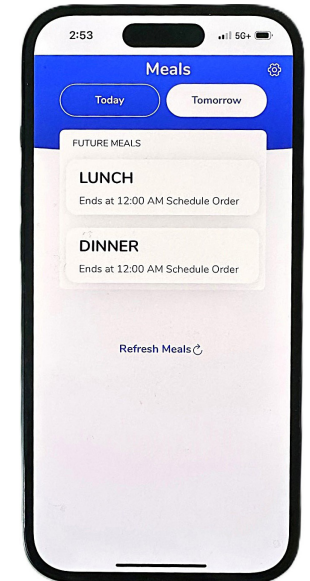

Step 4

Enter your medical record number (MRN) and Date of Birth.

Step 5

Enter your email to create an account. You can "skip" this step by clicking on the upper right corner

Step 6

Select tomorrow and the meal for which you would like to enter menu selections. Add items to order and submit
