UNIQUE HEALTH NEEDS OF ARTISTS

Artists may experience unique physical and emotional challenges that can limit their ability to pursue their passion. Dancers and musicians may be prone to repetitive injuries; and actors may face anxiety from past performances. **The expertise of the Centre's inter-professional health team specializes in meeting these unique health needs of artists.**

FINANCIAL ASSISTANCE

The Joysanne Sidimus Fund covers 75% of non-OHIP covered services, up to \$760 annually. Eligibility is based on financial and health needs. You can apply for the fund at anytime. **Click on the 'Financial Assistance' tab on our website for more details or email financialaid.ahc@uhn.ca**
