

Navigation from Elizabeth Entrance to the Pre-Admission Clinic

Step 1 – Arrival to Toronto General Hospital

Verify appointment date and time and come to Toronto General Hospital:

200 Elizabeth St. Toronto, ON M4G 2C4

Step 2 – Parking

Parking can be found directly across the street. Please see the link below for more information:

<https://www.uhn.ca/corporate/Directions/Pages/parking.aspx>

Step 3 – Information Desk

After you enter the doors through the Elizabeth entrance at 200 Elizabeth St. you will notice directly to your right the Information Desk. Please stop here if you have a question or need assistance. They can assist with any questions you may have.

If you know you need help with navigation or if you need a wheelchair please ask for this here. You must let the TAVI coordinator know ahead of time so we can ensure this is organized for you.

This may include but is not limited to:

- A meeting with an Anesthesiologist who will instruct you on which medications you can take the morning of your procedure. A Pharmacist will be speaking to you about your current medications (please have a list ready). Also, a Nurse to instruct on how to prepare for the procedure
- At this appointment you will have bloodwork drawn, an ECG, a swab for MRSA/VRE and sometimes a chest x-ray

Please note: your personalized TAVI procedure Information will be sent to you by Rebecca Collier Doyle. This will give you specific details on IN PERSON vs TEAMS meeting for your pre-admission appointment.
