

## Did you know 45% of individuals are malnourished on admission to hospital<sup>1</sup>?

Join us **September 26<sup>th</sup> – 30<sup>th</sup>** for **Canadian Malnutrition Week** to raise awareness about malnutrition in hospitalized patients and how *all of us can help*.

Over the week, different UHN sites will be hosting **information booths with prizes and education sessions with lunch** provided\*.

Please see below for a complete schedule of events and locations.

*Hope to see you there!*
