FROM HOSPITAL TO HOME

Canadian Malnutrition Week 2017

The journey requires taking medicine as prescribed and eating healthy because...

Food is Medicine too!

September 25 – 29 | Brought to you by the Canadian Malnutrition Task Force | nutritioncareincanada.ca

Did you know that 1 in 4 patients lose weight unintentionally when they leave hospital and this could lead to a return visit[1]?

Join us **September 25th – 29th** for **Canadian Malnutrition Week** to raise awareness about malnutrition in hospitalized patients and how *all of us can help.*

UHN sites will be hosting **information booths with prizes** and **education sessions with lunch** provided*. Please see below for a complete schedule of events and locations.
